Meopham Medical Centre is in a semi-rural location in purpose built premises. We are situated on the A227 between the M20 at Wrotham and the A2/M2 at Gravesend. Meopham is served by an excellent train service into London Victoria.

We are a four partnered practice – two female and two male partners with a list size of approximately 9,000. We are a dispensing practice and dispense to approximately 1/3 of our patients.

The Practice Staff

Practice Manager

Mrs Angela Evers has overall responsibility for the efficient running of the practice.

Medical Secretaries

Our secretaries deal with all hospital referral letters and clinic appointments. If you have a query regarding a referral, please ask to speak to one of the secretaries.

Receptionists

The receptionists have the difficult job of trying to meet the demands of both patients and doctors. They always try their best to do this but please appreciate that trying to fulfil every request may not always be possible. Please try and help the receptionists by giving them as much information as possible in order that they can decide how best to help you.

Other Staff

We have five members of staff who work in the dispensary and three engaged in administrative/IT duties.

Practice Nurses

Maureen Reeves RGN SEN DEN Dip of HE EB 998 FP Foundation Diabetes
Sarah White RGN
Jackie Dearn (Healthcare Assistant)
Jan Richards (Phlebotomist)

District Nurses

A team of district nurses is attached to the practice. They offer a range of nursing services to those who are unable to attend the surgery. Please ring 01474 813789 if you wish to contact the district nurses.

Health Visitors

Two health visitors also work from the practice and can be contacted on 01474 815722.

Midwives

A community midwife is attached to the practice and offers full maternity services.
